

VOTE APRIL 4 GREGG BACH

FOR MEQUON ALDERMAN 5TH DISTRICT

Dear Neighbors,

My name is Gregg Bach. I am running for 5th District Alderman and I am asking for your support. This very important nonpartisan race is on the ballot for the April 4, 2023 election. I am running to bring civility and trust to Mequon City government and because I believe 5th District residents should be adequately represented. I am not - and never have been - beholden to any political party or partisan agenda.

About Me

- 31 year Mequon resident
- Retired after a 37 year career as a teacher and educational administrator
- Active member of the Mequon Planning Commission
- Board chair of REDgen - advocates for youth mental health and well-being
- Previous Wisconsin Leukemia and Lymphoma Society Board Member
- Previous Board Chair of YMCA Family Camp Nawakwa in Lac Du Flambeau

Experience to Build Relationships and Community

I believe in service. My experience in managing 9 large departments for the University School of Milwaukee honed my skills in:

- Active listening
- Problem Solving
- Collaborative planning with an array of stakeholders

My years of successfully working on complicated challenges in a collaborative and ethical manner will help me serve as an Alderman for **all** the residents of District 5.

A Unique Understanding of Principled Civic Planning

I currently serve as an alternate member of the **Mequon Planning Commission**. My service on the Policy Subcommittee, responsible for the recently approved **Ulao Creek Neighborhood Plan in District 5**, allowed me to work on developing an inclusive process that took resident feedback seriously.

Life-long Community Leadership

My life-long passion for community leadership began with the achievement of Eagle Scout. My current and previous Board positions, including REDgen, Wisconsin Leukemia and Lymphoma Society, and YMCA Family Camp Nawakwa, have given me invaluable insight into the issues facing our community and the drive to serve.

Learn More About the Campaign
